(Must sign up for session with our Lobby Concierge)

“Safe & Sustainable Marine Tourism for hotels” presentation by Mallory

Do you like to swim, snorkel, dive, kayak, jet ski, or explore Guam's beaches and ocean? Thinking of joining us on World Oceans Day for the introduction to snorkel? Join Mallory Morgan, National Coral Reef Management Fellow from the Guam Bureau of Statistics and Plans, to learn more about how we can all safely and sustainably enjoy Guam's reefs while preserving its natural beauty into the future.

June 6th Wednesday / 12pm – 1:30pm / Lobby
Rainbow Fish Reading with Underwater World

Eyes of the Reef Training / 5pm – 7pm / Mezzanine level
(Must sign up for session with our Lobby Concierge)

Guam's reef managers need your help to spot reef impacts around the island. Attend an Eyes of the Reef classroom session to learn how to identify impacts on coral reefs, such as bleaching and disease, and report them online. You can be a part of the solution and play an important role in keeping Guam's reefs healthy for future generations. All ages are welcome and no previous experience is required to participate in these free events. Visit eormarianas.org for more information.
